

# MAY NEWSLETTER

Wishing all our parents a very happy and prosperous Ramadan Kareem- A month full of Joy and togetherness! We have added 'A good deed a day' for children to understand the meaning of 'Giving' during the holy month.

We are constantly reviewing our approaches and experiences and are very proud to see the way Remote learning has evolved over the last couple of months. Please find below a few highlights of our experiences...

## RAY OF SUNSHINE

We continue to Connect-Communicate and Celebrate achievements. Please continue to share videos and pictures of your children's active participation in home learning. It gives us great joy!

The certificates given to the children during this home learning will add up to their assessments at the end of the year report.

## FAMILY BONDS STRENGTHEN

It is wonderful to see family bonds strengthen during this time of lockdown. We have seen some amazing works from our children, and this has been possible only because of our wonderful parents. We greatly appreciate the efforts of our children and parents for a beautiful and creative love-filled Message of Hope!

## Importance of Routines:

We wanted to stress the importance of routines and good habits. The focus of our remote learning is in ensuring that children maintain good habits, structured routines, and learn time management. We request parents to ensure that they maintain a structured planned routine for children.

## DEAR [ DROP EVERYTHING AND READ]:

Join the DEAR Challenge and win exciting certificates- Drop Everything and Read to your child for 15 min daily. We have been sharing some very interesting reading videos daily and would love for parents to take advantage of the reading support. Reading builds a strong understanding of sounds, words, and language, and develop early literacy skills. We look forward to hearing about your experiences with your child.

In these times of trouble and in trying to make a difference, Bright Kids Nursery has organized accommodation for our Teacher assistants at our MBZ Villa. We would appreciate it if our parents can make valuable donations of care packages for our Teacher assistants. Please connect with your nursery branch secretary/manager to understand more.

**Accommodation and Support for our Teacher Assistants:**

## LEARNING AND ACTIVITIES

**Letters:** Pp, Nn, Ii  
**Numbers:** 15 and 16  
**Counting:** 1-15

**Colours:** Brown  
**Shape:** Diamond  
**Physical Development:** Tummy Time, Stacking blocks, and hand and eye coordination.  
**Rhyme:** There are lots of people who help us and Miss Molly.  
**Born Smart Games:** Bubbles, Rolling, and sitting activities.

## Continuous Professional Development:

Learning Never stops at Bright Kids Nursery! Our Teaching Assistants have been given the opportunities to continue their professional development and will be doing their CACHE Level 2. They are busy studying during this time of lockdown. They will use their knowledge to better their experience and enhance the children's learning and development once we are back to school. Bright Kids Nursery is sponsoring 40 teaching assistants to get this certificate at no cost to them.

Our remote learning plans have been revised and simplified, to ensure that parents find it easy to support their children during the busy month of Ramadan. The weekly plans will continue with the focus on key learning areas- literacy, numeracy, the world around us, and reading.

## Events coming up

**The Dear challenge ongoing 10th May:** Drop Everything And Read for 15 minutes daily for a whole week. Share pictures and videos to receive an outstanding certificate.

**Build a collage 12th May:** in the memory of Sheikh Zayed father of the Nation, the best collage will be awarded.

**Community Helpers Dress Up Day 19th May:** Children can dress up as their favorite community helper and record a message for them or a picture

It sounds like great fun! can't wait to see the beautiful and fun-filled entries for the competitions.

**Parent Survey:** We would love to hear from you and welcome your suggestions and inputs. A link will be shared soon.
