

# JUNE NEWSLETTER

Eid Mubarak! Eid is the celebration of life and togetherness.... May your homes be filled with joy, warmth, and happy moments and your hearts filled with love!

Thank you for sharing photos of your children's remote learning activities. To all our students, keep up the fantastic work! We think you are amazing and miss you every day.

At Bright Kids Nursery, we believe there is NO LOCKDOWN on Education! Who said we can't learn and have fun at home? During these times of global crises, health care & teachers deserve all our respect and gratitude.

Virtual Learning has allowed us to discover new interests, develop new skills, learn new languages, develop new talents....Get inspired and Join the Bright Kids Nursery Online Programs starting 7th JUNE - Drama@ Home, A Hundred Languages of Children and The Bridge- A School Readiness Programme

The uncertainty, stress, and unstructured time, brought about by the pandemic can have a negative impact on children's development. Early Years specialists recommend structured time management, maintaining Routines, and cultivating good habits. Routines give children a sense of security and control over their environment.

The Live sessions for children will be like the classes they attend in the Nursery -there will be loads of fun and play as they learn English and gain confidence through our expressive drama and other online programs. The Pre-recorded session will instill in them a sense of independence and support in planned activities for parent-child bonding

**The Bridge- A School Readiness Programme:** to help our children complete their FS1, equip all our little learners with essential skills needed for a smooth transition into school

**Drama@ Home:** The classes will cover speech and language training, vocal training, music, storytelling, dressing up, listening games, role-play and many more
