Bright Star

This month

We believe that children can learn new skills through different activities in a stimulating transportation. Our theme this month will be (Transportation). The children will learn about transportation along with new shapes, letters, colours and numbers. The first sentence doesn't make grammatical sense, can you clarify what you are trying to say here and we can amend accordingly.

Tips for support

- Please take the time to read stories and poems to your children every day; it's an enjoyable way to be involved in your child's early literacy development.
- Ask questions and allow your children to ask you questions. Talk about the pictures and sounds in the stories for continuous familiarization.
- Check our monthly calendar for the 'letters of the month' (we're teaching the children phonic sounds to facilitate their reading). Look for books, toys, puzzles and boxes of food that feature those sounds to develop their understanding.
- Please label all your children's belongings.
