## Tips for support

- Please take the time to read stories and poems to your children every day; it's an enjoyable way to be involved in your child's early literacy development.
- Ask questions and allow your children to ask you questions. Talk about the pictures and sounds in the stories for continuous familiarisation.
- Check our monthly calendar for the 'letters of the month' (we're teaching them phonics sounds to facilitate their reading). Look for books, toys, puzzles and boxes of food that feature those sounds to develop their understanding.
