# Bright Stars class

## Dear Parent's

We believe that children learn through play in a stimulating environment, that is why we plan a range of activities, each month, which are suitable for their age and encourage their curiosity. Our theme this month will be (All About Me) and various activities about the five senses, including how to take care of yourself, will be implemented with the children following the EYFS regulations to secure the benefit and guarantee the best learning outcome for our students. The children will learn their body parts and how they can take care of themselves along with learning about new shapes, letters, colours and numbers. Since we believe that learning begins at home, Bright Kids Nursery will share useful websites, digital story books and applications that can be helpful for our students to review at home.

### Learning and activities

Theme: **All About Me**

Letters:

**d** (dog, door, deer, duck, doll, donuts)

**e** (ear, eye, elephant, eraser, eagle)

Colour: **Blue**

### Please note

- Please label all your child belongs.
- Please return the blue folder each Sunday to class.
- Please motivate your child at home to wash their hands before and after meal time as we are promoting the best hygienic measures in the nursery to keep our children clean and healthy.
- Please don't hesitate to contact the nursery on the landline number if you have and questions about your child. Parent's are always welcome to visit at any time.
