

April Newsletter

Bright Diamonds

This month

Hi mummies and daddies! we are starting another very interesting month with the children. This month, we will be covering "Healthy Eating", the children have already shown great interest in eating healthy food and being active, dynamic and healthy! Well done! we will be covering a lot of vocabulary relating to our theme which will broaden their horizons and allow for them to expand their literacy skills. Please continue to send healthy snacks with them to the nursery as this will instil the value of the month.

Looking forward to hearing all your feedback on the children and how they react at home.

29th April

Songs

- ★ Miss Polly had a dolly
- ★ Healthy food vs junk food
- ★ The healthy eating song

Tips for support

- Please take the time to read stories and poems to your children every day; it's an enjoyable way to be involved in your child's early literacy development.
- Ask questions and allow your children to ask you questions. Talk about the pictures and sounds in the stories for continuous familiarization.
- Check our monthly calendar for the 'letters of the month' (we're teaching the children phonic sounds to facilitate their reading). Look for books, toys, puzzles and boxes of food that feature those sounds to develop their understanding.
- Please label all your children's belongings
