What lives in the ocean? Introducing children to the different creatures living in the ocean.
 Let's go fishing: Using pipe cleaners, straws and string to help children make fishing poles
 Make an aquarium: Using shoe boxes lined with blue paper and stick-in fish that the children have coloured
 Create a rainbow fish: Using foil and paper plates to help children make rainbow coloured fish to hang
 Build a boat: Using paper that the children have coloured and decorated with glitter to make boats
 Pirates and Princesses: Face painting the children to help them get ready for the party!
